

## REMARKS

The specification is amended above to insert a reference to related cases.

Claims 11, 12, 13, 16, 21 and 22 have been amended above to remove multiple dependencies, and to better format the claims for accepted US Patent practice.

New Claims 23, 24 and 25 are added to remove multiple dependencies in claims 11, 12 and 13.

No change of inventorship is necessitated by these amendments.

Early allowance of the claims is requested. Should the Examiner believe that a conference with applicants' attorney would advance prosecution of this application, he is respectfully invited to call applicants' attorney.
